

Women of Faith Fall 2008

Women of all ages are invited to join Women of Faith as we undertake a six week study of comparative world religions beginning Oct. 16. Many of us grew up doing religious things without really understanding what we were doing, or grew up understanding our own religion but were uninformed about the religions of our neighbors. It is fascinating to discover the similarities and differences between world religions.

While our group of highly intelligent women certainly does not qualify to be labeled dummies, the book entitled "Religion for Dummies" will be our reference for discussion sure to be educational and provocative. It is available in paperback at Barnes & Noble or on Amazon.com.

Below is the six week schedule. The school parking lot is unavailable for use during school hours. Please park in the upper lot and walk down to the religious resource center.

Please read the first section in preparation for our discussion.
